

## High School Solo Ensemble

Coach Kjelene has developed a new program especially for our High School aged Dancers. This is the opportunity to continue their passion of dancing as a member of Trinity Young Company. Understanding the multitude of choices and obligations these young women face, Coach Kjelene wants to give dancers who have proven their commitment and dedication, a more easily managed commitment to Trinity Young Company 2009-2010 season.

### SO WHAT DOES THIS MEAN????
